

## **NIHON KOHDEN RECERTIFIED AS A GREAT PLACE TO WORK®**

### ***Company Experiences Significant Growth, Receives Recertification Based on Employee Feedback Citing Atmosphere and Pride As Key Areas of Excellence***

**IRVINE, Calif. – Feb. 27, 2018** — Nihon Kohden, a U.S. market leader in precision medical products and services, today announced it has been recertified as a great workplace by the Great Place to Work® Institute, the global authority on high-trust, high-performance workplace cultures. The recertification occurs during a time of significant growth for Nihon Kohden, as the company has doubled in size in the past three years.

“It is an honor to receive this recertification for the third consecutive year, as it is based on direct employee feedback. It is a true testament to the company’s dedication to its staff, and especially notable given the rapid expansion of the company in the past three years,” said Betzy Estrada, vice president of human resources and chief compliance executive of Nihon Kohden America. “Nihon Kohden is committed to maintaining a rewarding and fulfilling culture both professionally and personally.”

Nihon Kohden’s recertification was based on anonymous feedback by current employees on the quality of the company’s challenges, atmosphere, rewards, pride, communication and leadership. A summary of the company’s ratings can be found [here](#).

“Employees here cite many reasons for their happiness, including pride in the company’s exceptional products and robust services; challenging, interesting projects; welcoming, caring colleagues – all of which are elements that foster a positive, productive work environment,” said Sarah Lewis-Kulin, Vice President of Best Workplace List Research at Great Place to Work®.

Nihon Kohden is currently seeking new team members for positions in all areas, including sales, network engineering, software engineering, and clinical. For more information, please visit [Nihon Kohden Careers](#).
