Ernest N. Morial Convention Center

900 Convention Center Blvd., New Orleans, LA 70130

Lung Protective Ventilation: Control and Assisted Ventilation – 2019

Learning Objectives

- Discuss variables and the ranges considered reflective of lung protective ventilation during both control and assisted ventilation.
- Discuss how assisted ventilation can cause lung injury regardless of volume or pressure.
- Discuss data supporting the use of lung protective ventilation for all patients requiring acute application of ventilatory support.

Location

New Orleans Marriott
555 Canal Street, New Orleans, LA 70130
Grand Ballroom – Acadia (3rd Floor)

Speaker

Dr. Robert Kacmarek,
PhD, RRT, FCCM, FCCP, FAARC

Accreditation

This program has been approved for 1.00 contact hour of Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care.

Course # 145173000
